BENCHMARK

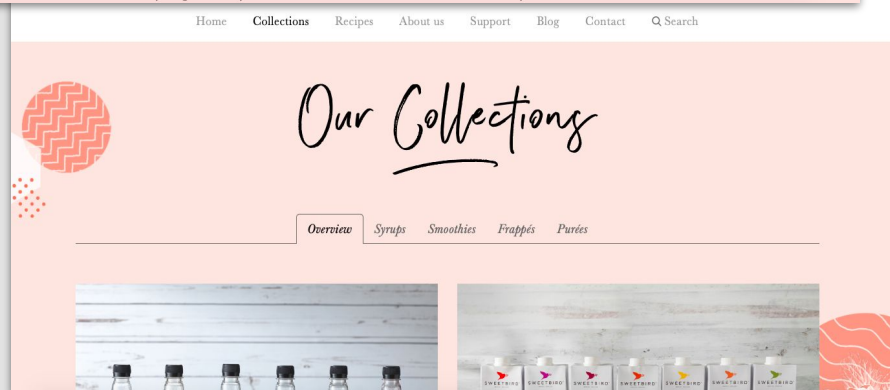

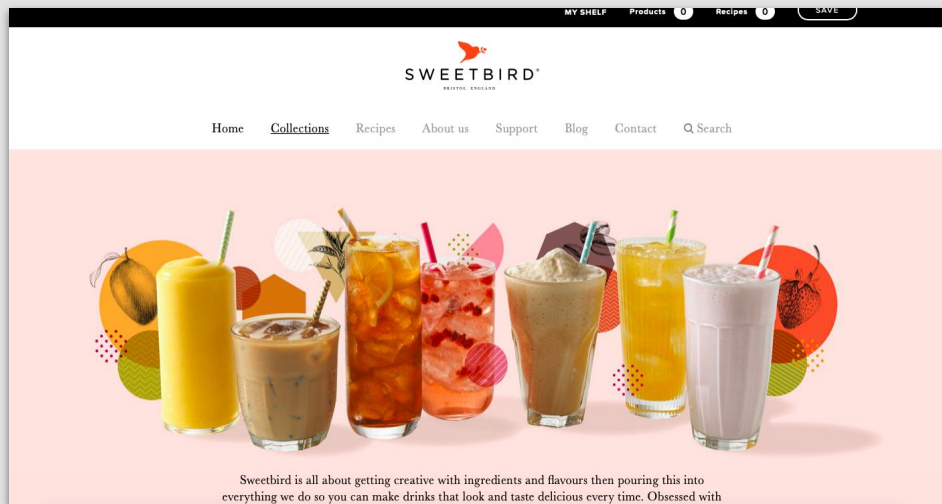

Zuma : elegant & simple design

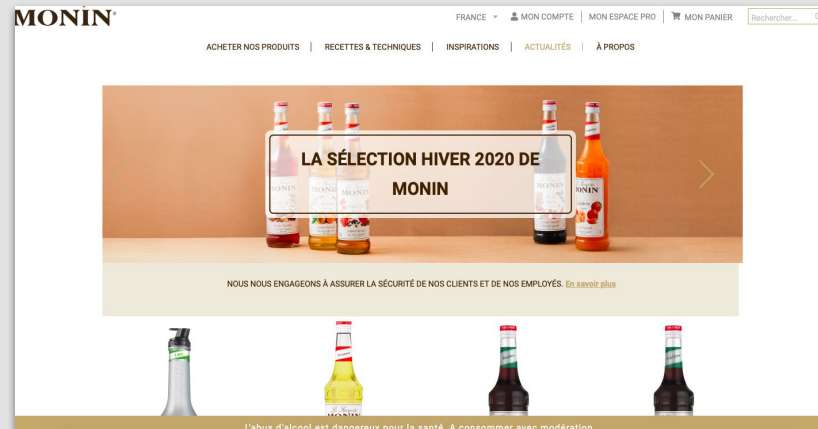

Hot Chocolate

We've been creating our collection for over 17 years, so there's a drink for everyone. Our hot chocolates include white, dark, double, thick, original, organic, and Fairtrade. We also make sauces and chai. We like to keep our range simple, just like our ingredients. It's not that we're stubborn - we just won't compromise when it comes to taste and quality.

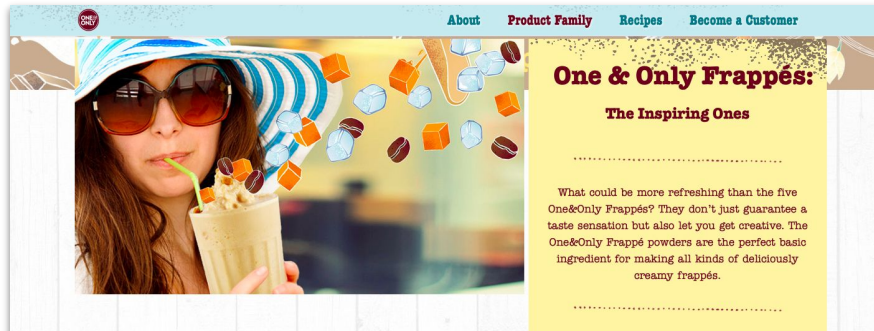

Monin : making a seasonal selection

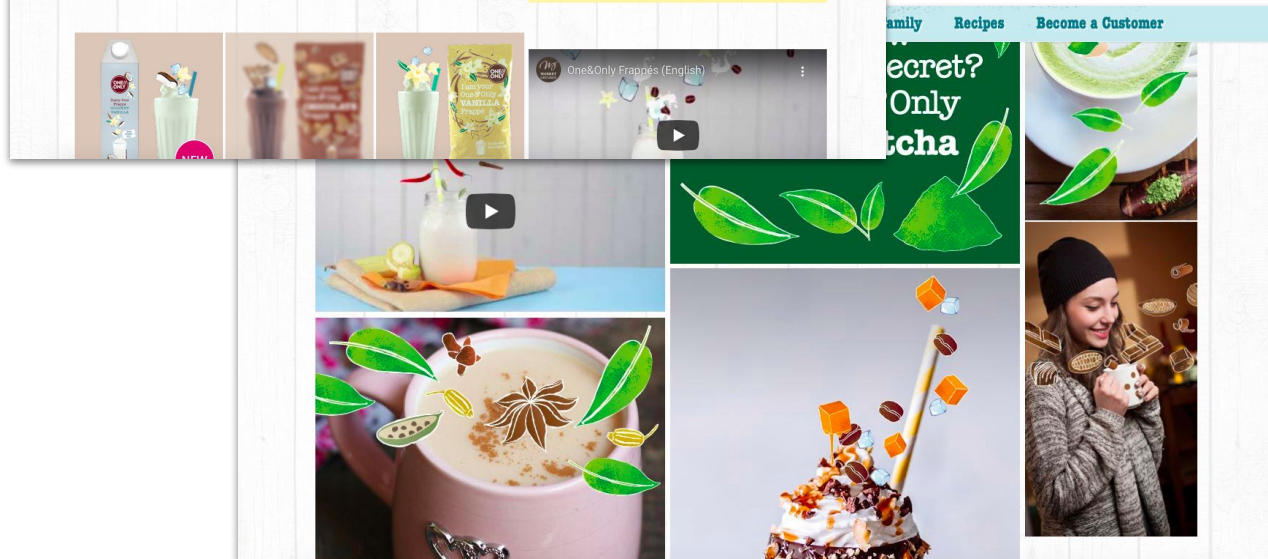

Sweetbird : presenting the whole collection on homepage + sliders for the categories

One & Only : Many lifestyle pictures (but too messy)
